Seeking representatives for the graduating class of 2013!

Are you interested in being a senior representative for 365 Digital Photography? As one of our senior representatives you will receive an exclusive free studio and location session, rep cards, discounts, and other opportunities as a spokesperson for our studio. Our goal is for our senior reps to earn enough "365 bucks" to get all their prints for free!

As a senior rep you would promote 365 Digital Photography exclusively via personal testimony and handing out referral cards. We are looking for students with outgoing personalities and are comfortable showing their pictures. The program is first come, first serve, so act fast if you are interested!

Bonuses of being a Senior Representative:

- *Free studio and location portrait session
- *5 .jpg photos for your Facebook and/or My Space, etc., page
- *Unlimited referral cards to share with your friends (please contact the studio if you need more)

Referral Bonuses (classmate must book and complete a session with us with all fees paid before this can be redeemed):

- *Receive 25 "365 bucks" per referral to go toward your prints purchases
- *With 5 referrals, receive a photo slideshow of all your photos set to music you provide for sharing via Facebook, My Space, iPod, etc.
- *With 10 referrals, receive an extra 200 "365 bucks"

The classmate(s) must present the referral card in order to be eligible. For using the referral card he/she will receive 8 wallets for free!
